

SPSS27 installation manual for Win10 operation system

Download the appropriate file (64 bit/32bit version) at the following link: Coospace/ELTE TÁTK/Telepítő/SPSS telepítő

You can check the version needed by clicking 'System Information' in the Windows operation system.

Window No.0: A special request to allow notifications may pop up according to the settings of Windows.

Window No.1: Preparing to install...→ do not click on anything, it disappears within a few seconds.

Window No.2: Licensed Materials

Click on the 'Next' button.

Window No.3: Software License Agreement

Please choose 'I accept the terms in license agreement' option, then click on the 'Next' button.

Window No.4: Destination Folder

Here you can choose where you want to install the program. Afterwards, click on the 'Next' button.

Window No.5: Ready to Install the Program

Click on the 'Install' button.

Installation will be in progress. Don't click on anything, it will automatically proceed.

Window No.6: InstallShield Wizard Completed

The default option is to „Start SPSS Statistics 27 Licence Authorization Wizard now“. If you immediately want to receive a temporary licence for the product, click on the 'Finish' button and the affirmation will proceed. If you would like to receive a licence later, un-tick the box, then click on the „Finish“ button.

If you chose the „Start SPSS Statistics 27 Licence Authorization Wizard now“ option: the Licence Authorization Wizard is going to start.

Window No.7: Product Authorization

Copy the **UNIQUELY** generated Lock Code, the place of which is indicated by the red circle above (to clarify, your Lock Code will definitely won't be 4-26E80).

You have to give this Lock Code with other data in this online form:

<https://forms.office.com/Pages/ResponsePage.aspx?id=zdtms8NPUUSC0uI5VkMCw12b1WSTTXZKg79huXWMWN9URTZURExESFY5WUpCTU9aWTZESIVMRVBUNi4u>

You will receive a 20-digit code in approximately 10 days which will be your Licence Code. Without a licence you can only run SPSS for 14 days.

In Coospace, in the ELTE TÁTK scene/SPSS licence kódok folder there's a pdf-file with ever new permanent codes. Attention, no one will receive a separate notification, thus everyone should check the pdf from time to time.

Important!!!

When you receive your Licence Code:

Click on the Windows Start button in the left corner of the screen, then look for the IBM SPSS Statistics 27 folder. After opening it, choose the IBM Statistics 27 Licence Authorization Wizard.

Window No.0: Licence Status

Click on the „Next” button.

Window No.1: Product Authorization

The previously seen Window No.8 will pop up, here choose the „Next” option.

Window No.2: Enter Codes

Paste the Licence Code then click the „Add” button.

Enter Codes

Enter your authorization code(s) here to license your product. If you have already contacted IBM via email or phone, please enter the license code(s) you received from IBM.
