Tárgynév:	The history of European integration
Tárgykód:	IRB107
Tárgyfelelős neve:	Kállai Péter
Tárgy követelménye:	Kollokvium (5)
Tárgy heti óraszám:	2/0/0

Oktatás célja:

This course presents the history of the European Union (EU) between the period of the end of the Second World War and the decision of the United Kingdom to leave the EU (1945 – 2016). The aim of the course is twofold: on the one hand, it shows how the EC/EU, including its institutions and policies, evolved during the past decades and, on the other hand, prepares students to other EU related courses to be completed in subsequent semesters. At the end of the semester, students will have a good knowledge on, and a mastery of, the milestones of European integration. Students are also expected to have a good understanding on how the EC/EU has been shaped by prominent leaders of the Member States as well as Commission presidents and other actors.
